SPONSORED ADVANCED DRIVING COURSE for Under 25's

Thank you for your interest in one of our courses.

Chester & District Advanced Motorists is a local group of the Institute of Advanced Motorists.

We have highly trained Observers, all volunteers. We have a sum of money from Cheshire West & Chester Road Safety Team to reimburse drivers under 25 who pass their Advanced Driving test.

This is a one-to-one course. Each successful applicant will be allocated an Observer. They will take you on observed runs in your own car which will last up to 2 hours, typically at weekly intervals. When you are considered ready, usually after 6 to 10 runs, you will be advised to apply for your Advanced test and on passing, the full fee of £149.00 will be refunded.

To take part you need to have passed your Driving Test and have been driving for a minimum of 6 months. You must be prepared to commit to regular runs and to practising what you have learned between runs.

You also need to live in the Cheshire West & Chester area.

To enter for selection, fill in the application form and scan and email to info@chesteriam.org.uk

Please be aware that we have had a significant response and therefore course dates may be phased over the coming months.

We will make the selection as soon as we are able. All applicants will be notified.

Application Form

Sponsored Advanced Driving Course for under 25's

As a full driving licence holder under the age of 25, I would like to undertake the Advanced Driving Course and hereby apply for sponsorship. I understand that if selected I will be responsible for purchasing the "Advanced Driving" package from the IAM and that the course fee will be refunded to me upon successfully passing the IAM Roadsmart Advanced Driving Test.
